GINNY BAKES, ORGANIC BAKE MIXES

Pass the Ginny

SHAKE AND

BAKE: Got a habit of eating a spoonful (or three) of dessert after every meal? Local treat maven Ginny did too, or -- more exactly -- her four sons did. And so GinnyBakes was born. She ventured out to bake the most delicious, yet healthy, cookies for

her family, and now they're available to the masses. Her organic bake mixes are made with the highest-quality ingredients and offer extra health benefits such as omega-3s, antioxidants, vitamins and fiber. All you have to do is add the eggs and organic butter. **GET IT:** \$15. ginnybakes.com.
